

# Penguin Research

**You have been learning a lot about penguins. Now it's time to show what you know. Complete the following steps to create a dynamite presentation.**

**Step 1:**

Decide what types of information you want to gather about penguins. Set-up a tree map using the Inspiration software. This is where you will type your notes.

**Step 2:**

Gather your information. You may use:

- Treasures stories
- Online databases
- Discovery Streaming
- Print resources.

Be sure to write down your references. All of your notes should be recorded on your tree map.

**Step 3:**

Decide how you are going to digitally present your findings. Options include:

- PowerPoint
- Photostory
- Newspaper Article
- Brochure
- Glogster EDU

**Step 4:**

Create your presentation! Use your tree map headings to help organize your digital presentation.
